Volleyball

Congratulations to our A-Team volleyball team! They made it through pool play at the tournament undefeated, and then beat First German and Newtonburg to move on to the championship game. They played Trinity Brillion and lost 2-1. So our girls came home with second place. A huge accomplishment as we are the smallest school that played in the tournament!

Scavenger Hunt

A big thank you to all who helped plan our October Fun day at school which included a chili dump, scavenger hunt, and the Packer game. A special thank you goes out to Mrs. Nicole Fictum who put together the scavenger hunt. It was a lot of fun!

Basketball Skills Camp

On Sunday, October 30, the MLHS National Honor Society will be hosting a Basketball Skills Camp at four different locations. This camp is for grades K-4. The camp will go from 1-3 PM and is only \$10 to attend. Prizes and participation certificates will be given out. This year, one of the four locations is St. Johns. Register at www.mlhslancers.org/events.

Preschool Fun Day

On Friday, October 21, 2015, St. John's Preschool will be having a Fun Day for the community. All children ages 3-5 are invited to attend at no cost. Times are from 5:30-7:30 PM.

If you know of any children in this age range that may be interested in attending, please contact our Preschool teacher, Mrs. Waege.

No School

There will be no school on October 27-28. During these two days our teachers will be in Milwaukee at the WELS State Teachers' Conference.

Free Flu Shots

The Manitowoc County Health Department has scheduled a walk in Flu Clinic for children 6 months through 18 years of age. The clinic will be held at the Health Dept. located at 1028 S 9th St in Manitowoc. **The influenza vaccine will be free; no insurance restrictions apply as these clinics are part of the Health Department's preparedness plan.**

The clinic will be held on Monday October 24th from 3PM to 5:30PM. No appointment is necessary. Only the injectable vaccine will be offered. Parents/guardians need to accompany children to the clinic. The CDC recommends that everyone six months of age and older get an influenza vaccine each year. Getting a flu vaccine is the first and most important step in protecting against this serious disease. For more information contact the Manitowoc County Health Department at 920-683-4155.

School Evaluations

At Parent / Teacher Conferences all parents will receive a school evaluation form to fill out. Please return these forms to Mr. Waege in the sealed envelope.

These forms will only be looked at by St. John’s Board of Education. The Board of Education will then share results with the teachers. When filling out these forms, please remember that any major concerns should first be discussed with the particular person involved as our Lord reminds us in Matthew 18: 15-20.

Board of Education

Our Board of Education members for this year are RJ Fischer, Jim Patterson, and Brian Zwiig. They meet once a month to discuss various issues concerning St. John Lutheran School and then also propose, discuss, and vote on policies for our school.
